

**General Administration of Customs, Ministry of Ecology and Environment**  
**Announcement No. 79 of 2018**  
**(Announcement on the publication of the “Catalogue of Designated Ports of**  
**Entry for Solid Waste Imports”)**

In order to further standardize the administration and management of solid waste imports as well as prevent and control environmental pollution, in accordance with the “Law of the People's Republic of China on the Prevention and Control of Environmental Pollution by Solid Waste”, the “Measures for the Administration of Solid Waste Imports”, the “Circular of the General Office of the State Council on Issuing the Implementing Plan for Banning Foreign Trash Imports and Promoting Reform in the Solid Waste Import Management System”, and other related laws and regulations, the General Administration of Customs and the Ministry of Ecology and Environment announced the following regarding the designated ports of entry for solid waste imports:

I. Solid wastes that the State allows to be imported should enter the country at one of the designated ports of entry stipulated in the “Catalogue of Designated Ports of Entry for Solid Waste Imports” (see the appendix for details) and go through customs formalities.

II. Importers should fill in the code of a specific port in the “Catalogue of Designated Ports of Entry for Solid Waste Imports” when they apply for a solid waste import license.

Announcement No. 40 of 2013 of the General Administration of Customs and the Ministry of Environmental Protection of the People’s Republic of China is simultaneously repealed.

This Announcement shall come into effect on 1 January 2019.

Hereby notify the above.
